Warranty

We hope your BeeLine works like a dream!
If it doesn't and it's our fault, we'll make it
right anytime within 12 months of purchase.
Drop us an email at info@beeline.co telling
us what's gone wrong and we'll help to get
it fixed or replaced. We will just have to look
at it first to make sure you haven't taken
it scuba diving or fed it to your dog etc.

Drop in: K.308 the Biscuit Factory,
100 Drummond Road,
London SE16 4DG, England

FCC STATEMENT:

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
 - (2) This device must accept any interference received,
including interference that may cause undesired operation.
- Warning:** Changes or modifications not expressly
approved by the party responsible for compliance could
void the user's authority to operate the equipment

NOTE: This equipment has been tested and found to
comply with the limits for a Class B digital device, pursuant
to Part 15 of the FCC Rules. These limits are designed to
provide reasonable protection against harmful interference
in a residential installation. This equipment generates uses
and can radiate radio frequency energy and, if not installed
and used in accordance with the instructions, may cause
harmful interference to radio communications.

FCC STATEMENT continued:

However, there is no guarantee that interference will not
occur in a particular installation. If this equipment does
cause harmful interference to radio or television reception,
which can be determined by turning the equipment off and
on, the user is encouraged to try to correct the interference
by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and
receiver.
- Connect the equipment into an outlet on a circuit different
from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician
for help.
